

SACE meets SBM Offshore

Monday 31 May 2021
3 pm (Rome time)
Live Webinar

SACE, with the kind collaboration of **ANIMP**, is pleased to invite you to a **presentation of potential business opportunities for Italian SMEs with SBM Offshore**, Netherlands-based Company engaged in the offshore energy industry. SBM Offshore's main activities are the design, supply, installation, operation and the life extension of floating production solutions for the offshore energy industry over the full lifecycle. The Company is a market leader in leased floating production systems, with multiple units currently in operation. As of December 31, 2020, the Company employed approximately 4,570 people worldwide spread over offices in our key markets, operational shore bases and the offshore fleet of vessels. SBM Offshore N.V. is a listed holding company headquartered in Amsterdam, the Netherlands. It holds direct and indirect interests in other companies.

The webinar will feature a **corporate presentation from SBM Offshore** as well as an **overview of its vendor qualification process**.
